Well here it is, our third CD! This CD means a lot to me as it shows how the band and I have grown musically. Mike, Darrell and myself are having a great time with the music. I'm proud to call these guys my best friends, my brothers. That being said, my dedication for this CD is for them and the (sometimes) silent partners who back us up - Cindy, Andrea and Tammy. These ladies support us in every way, going without a free weekend, being at every show, selling merchandise, and putting up with one of the worst things a woman can, a mistress called music. I just want to say thank you to them and to Mike and Darrell. Thanks to everyone for your support and let's keep rockin'! - Kevin M. Winters
